Directions

VIEW STEP BY STEP

1. Heat oil in large sauté pan on HIGH until oil faintly smokes. Add turkey and marinade; cook, stirring to break up turkey, 4-5 min until cooked through.
2. Add green onions; cook, stirring, about 30 sec until thoroughly combined. Remove from heat.
3. Arrange lettuce leaves on serving platter; divide turkey mixture evenly on leaves. Top with avocados and habanero pepper sauce.
4. Chef Tip: Try adding black beans to turkey mixture. Top with Wegmans Fresh Cut Pineapple Mango Salsa (Produce Dept) for additional flavor. Serve with brown rice.

This is gonna become a staple

Quick, easy, and a great way to vary ground turkey. Works well over rice and riced cauliflower.
